**Introduced by Assembly Member Wilk
(Coauthor: Assembly Member Conway)**

May 16, 2013

An act to amend Sections 1389.1, 1389.2, 1389.4, 1389.5, and 1389.8 of, to add Section 1366.30 to, and to add Chapter 9 (commencing with Section 127670) to Part 2 of Division 107 of, the Health and Safety Code, and to amend Sections 10113.95, 10119.1, 10119.3, 10270.98, 10273.4, 10273.6, and 10291.5 of, to add Section 10128.60 to, and to repeal Section 10270.99 of, the Insurance Code, relating to health care.

LEGISLATIVE COUNSEL'S DIGEST

AB 4, as introduced, Wilk. Health care.

(1) Existing law provides for the regulation of health insurers by the Insurance Commissioner. Existing law prohibits group health insurance policies and individual health insurance policies from canceling or refusing to renew plans and policies, except under specified circumstances, including, but not limited to, nonpayment of the required premiums if the appropriate party has been notified and given at least a 30-day grace period or other period of time as required by the federal Public Health Service Act. The health insurer is required to continue to provide coverage during the grace period.

This bill would require that individuals receiving coverage through the California Health Benefit Exchange and who are receiving a tax credit pursuant to the federal Patient Protection and Affordable Care Act (PPACA) would be subject to the required grace period and provisions of coverage during the grace period, if any, as provided by PPACA.

(2) Existing law authorizes group health insurance policies to provide, among other things, that the benefits payable are subject to reduction if the insured has any other coverage, other than individual policies or contracts, providing hospital, surgical, or medical benefits, resulting in the insured being eligible for more than 100% of the covered expenses. Except as permitted and except in the case of group practice prepayment plan contracts that do not provide for coordination of benefits, to the extent they provide for a reduction of benefits on account of other coverage with respect to emergency services that are not obtained from providers that contract with the plan, a group or individual health insurance policy or service contract issued by nonprofit hospital service plans, operating as provided, is not allowed to limit payment of benefits by reason of the existence of other insurance or service coverage.

This bill would delete the provisions prohibiting a group or individual health insurance policy or service contract issued by nonprofit hospital service plans, operating as provided, from limiting payment of benefits by reason of the existence of other insurance or service coverage. The bill would add individual health insurance policies to those policies authorized to reduce benefits where the insured has other coverage providing hospital, surgical, or medical benefits, resulting in the insured being eligible for more than 100% of the covered expenses. The bill would also make conforming changes.

(3) Existing law, the California Continuation Benefits Replacement Act (Cal-COBRA), provides for a continuation of health care coverage without evidence of insurability for up to 36 months after the date a qualified beneficiary's benefits would end due to a qualifying event, including the exhaustion of benefits under federal COBRA. Existing law also provides for certain underwriting practices regarding health care service plans and health insurance policies, including, but not limited to, an agent, broker, solicitor, solicitor firm, or representative who assists an applicant in submitting an application to a health care service plan or health insurer being required to attest in writing to the completeness and accuracy of the application to the best of his or her knowledge and that he or she explained to the applicant and was understood regarding the risk of providing inaccurate information.

This bill would make Cal-COBRA and certain underwriting requirements inoperative on January 1, 2014, and, if certain provisions of the federal Patient Protection and Affordable Care Act are repealed or amended, those provisions would become operative as of the date of the repeal or amendment.

(4) The federal Patient Protection and Affordable Care Act (PPACA) enacts various health care coverage market reforms that take effect January 1, 2014. Among other things, PPACA authorizes the federal Secretary of Health and Human Services to award states with demonstration grants to develop and test alternatives to current tort litigation for resolving disputes over injuries allegedly caused by health care providers and organizations. States interested in receiving a grant are required to develop an alternative to current tort litigation and submit an application to the secretary.

This bill would require the Secretary of California Health and Human Services to submit an application on behalf of the state to the federal Department of Health and Human Services to receive a grant for state demonstration programs to evaluate alternatives to current medical tort litigation, as authorized by PPACA. The bill would require the secretary to write the application to design a program to create health courts based upon a no-fault process to improve the injury resolution of liability. The bill would specify what items a patient would need to prove under the health court demonstration program.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

33 1389.5. (a) This section shall apply to a health care service
34 plan that provides coverage under an individual plan contract that
35 is issued, amended, delivered, or renewed on or after January 1,
36 2007.

37 (b) At least once each year, the health care service plan shall
38 permit an individual who has been covered for at least 18 months
39 under an individual plan contract to transfer, without medical
40 underwriting, to any other individual plan contract offered by that

1 same health care service plan that provides equal or lesser benefits,
2 as determined by the plan.

3 “Without medical underwriting” means that the health care
4 service plan shall not decline to offer coverage to, or deny
5 enrollment of, the individual or impose any preexisting condition
6 exclusion on the individual who transfers to another individual
7 plan contract pursuant to this section.

8 (c) The plan shall establish, for the purposes of subdivision (b),
9 a ranking of the individual plan contracts it offers to individual
10 purchasers and post the ranking on its Internet Web site or make
11 the ranking available upon request. The plan shall update the

13 is approved.

14 (d) The plan shall notify in writing all enrollees of the right to
15 transfer to another individual plan contract pursuant to this section,
16 at a minimum, when the plan changes the enrollee’s premium rate.

18 constitute notice for purposes of this subdivision. The notice shall
19 adequately inform enrollees of the transfer rights provided under
20 this section, including information on the process to obtain details
21 about the individual plan contracts available to that enrollee and
22 advising that the enrollee may be unable to return to his or her
23 current individual plan contract if the enrollee transfers to another
24 individual plan contract.

25 (e) The requirements of this section shall not apply to the
26 following:

40 of Division 2 of the Insurance Code.

(6) An individual enrolled in the Healthy Families Program pursuant to Part 6.2 (commencing with Section 12693) of Division 2 of the Insurance Code.

(f) It is the intent of the Legislature that individuals shall have more choice in their health coverage when health care service plans guarantee the right of an individual to transfer to another product based on the plan's own ranking system. The Legislature does not intend for the department to review or verify the plan's ranking for actuarial or other purposes.

(g) (1) *This section shall become inoperative on January 1, 2014.*

(2) *If Section 5000A of the Internal Revenue Code, as added by Section 1501 of PPACA, is repealed or amended to no longer apply to the individual market, as defined in Section 2791 of the federal Public Health Service Act (42 U.S.C. Sec. 300gg-4), this section shall become operative as of the date of the repeal or amendment.*

(h) *For the purposes of this section, "PPACA" means the federal Patient Protection and Affordable Care Act (Public Law 111-148), as amended by the federal Health Care and Education Reconciliation Act of 2010 (Public Law 111-152), and any rules, regulations, or guidance issued pursuant to that law.*

(c) If, in an attestation required by subdivision (b), a declarant willfully states as true any material fact he or she knows to be

1 false, that person shall, in addition to any applicable penalties or
2 remedies available under current law, be subject to a civil penalty
3 of up to ten thousand dollars (\$10,000). Any public prosecutor
4 may bring a civil action to impose that civil penalty. These
5 penalties shall be paid to the Managed Care Fund.

6 (d) A health care service plan application shall include a
7 statement advising declarants of the civil penalty authorized under
8 this section.

9 (e) (1) *This section shall become inoperative on January 1,*
10 *2014.*

11 (8) Does not conflict with state law at the time of the application
12 in a way that prohibits the adoption of the alternative to current
13 tort litigation.

14 (9) Does not limit or curtail a patient's existing legal rights,
15 ability to file a claim in or access the legal system, or otherwise
16 abrogate a patient's ability to file a medical malpractice claim.

17 (10) Does not conflict with the Medical Injury Compensation

1 with Sections 10140 and 10291.5 and all other applicable
2 provisions.

(c) The insurer shall establish, for the purposes of subdivision (b), a ranking of the individual health benefit plans it offers to individual purchasers and post the ranking on its Internet Web site or make the ranking available upon request. The insurer shall update the ranking whenever a new benefit design for individual purchasers is approved.

(d) The insurer shall notify in writing all insureds of the right to transfer to another individual health benefit plan pursuant to this section, at a minimum, when the insurer changes the insured’s premium rate. Posting this information on the insurer’s Internet

The Legislature does not intend for the department to review or verify the insurer's ranking for actuarial or other purposes.

(g) (1) *This section shall become inoperative on January 1, 2014.*

(2) *If Section 5000A of the Internal Revenue Code, as added by Section 1501 of PPACA, is repealed or amended to no longer apply to the individual market, as defined in Section 2791 of the federal Public Health Service Act (42 U.S.C. Sec. 300gg-4), this section shall become operative as of the date of the repeal or amendment.*

18 has any label, description of its contents, title, heading, backing,
19 or other indication of its provisions—~~which~~ *that* is unintelligible,
20 uncertain, ambiguous, or abstruse, or likely to mislead a person to
21 whom the policy is offered, delivered or issued.

22 (2) If it contains any provision for payment at a rate, or in an
23 amount (other than the product of rate times the periods for which
24 payments are promised) for loss caused by particular event or

29 The specified losses referred to in the preceding paragraph are:

30 (i) Loss of time ~~which that~~ commences while the policy is in
31 force and results from sickness contracted while the policy is in
32 force.

33 (ii) Loss of time ~~which that~~ commences within 20 days
34 following and results from accident occurring while the policy is
35 in force.

36 (iii) Losses ~~which that~~ result from accident occurring or sickness
37 contracted while the policy is in force and arise out of the care or
38 treatment of illness or injury and ~~which that~~ occur within 90 days
39 from the termination of the policy or during a period of continuous

1 compensable loss or losses ~~which~~ *that* period commences prior to
2 the end of ~~such~~ *that* 90 days.

3 (iv) Losses other than those specified in clause (i), (ii), or (iii)
4 of this paragraph ~~which~~ *that* result from accident occurring or

11 of more than two years, if the loss of time indemnity is made
12 payable only when house confined or only under special
13 contingencies not applicable to other total loss of time indemnity.

14 (6) If it contains any benefit for total confining disability payable
15 only upon condition that the confinement be of an abnormally
16 restricted nature unless the caption of the part containing ~~any such~~

19 contents, label, or title, at least one of them contain reference to
20 the nature of the confinement required.

21 (7) (A) If, irrespective of the premium charged therefor, any

27 and shall give due consideration to all of the following:

28 (i) The right of insurers to exercise sound underwriting judgment
29 in the selection and amounts of risks.

30 (ii) Amount of benefit, length of time of benefit, nature or extent
31 of benefit, or any combination of those factors.

38 *that* might be suffered by reason of the occurrence of any hazard
39 or event insured against.

(8) If it substitutes a specified indemnity upon the occurrence of accidental death for any benefit of the policy, other than a specified indemnity for dismemberment, which would accrue prior to the time of that death or if it contains any provision ~~which~~ *that* has the effect, other than at the election of the insured exercisable within not less than 20 days in the case of benefits specifically limited to the loss by removal of one or more fingers or one or more toes or within not less than 90 days in all other cases, of doing any of the following:

(A) Of substituting, upon the occurrence of the loss of both hands, both feet, one hand and one foot, the sight of both eyes or the sight of one eye and the loss of one hand or one foot, some specified indemnity for any or all benefits under the policy unless the indemnity so specified is equal to or greater than the total of the benefit or benefits for which ~~such~~ *the* specified indemnity is substituted and ~~which, that~~, assuming in all cases that the insured would continue to live, could possibly accrue within four years from the date of ~~such~~ *the* dismemberment under all other provisions of the policy applicable to the particular event or events (as distinguished from character of physical injury or illness) causing the dismemberment.

(B) Of substituting, upon the occurrence of any other dismemberment some specified indemnity for any or all benefits under the policy unless the indemnity so specified is equal to or greater than one-fourth of the total of the benefit or benefits for which the specified indemnity is substituted and ~~which, that~~, assuming in all cases that the insured would continue to live, could possibly accrue within four years from the date of the dismemberment under all other provisions of the policy applicable to the particular event or events (as distinguished from character of physical injury or illness) causing the dismemberment.

(C) Of substituting a specified indemnity upon the occurrence of any dismemberment for any benefit of the policy ~~which~~ *that* would accrue prior to the time of dismemberment.

1 (9) If it contains provision, other than as provided in Section
2 10369.3, reducing any original benefit more than 50 percent on
3 account of age of the insured.

4 (10) If the insuring clause or clauses contain no reference to the
5 exceptions, limitations, and reductions (if any) or no specific
6 reference to, or brief statement of, each abnormally restrictive
7 exception, limitation, or reduction.

8 (11) If it contains benefit or benefits for loss or losses from
9 specified diseases only unless:

10 (A) All of the diseases so specified in each provision granting
11 the benefits fall within some general classification based upon the
12 following:

13 (i) The part or system of the human body principally subject to
14 all ~~such~~ *those* diseases.

15 (ii) The similarity in nature or cause of ~~such~~ *those* diseases.

19 of treatment.

20 (B) The policy is entitled and each provision granting the
21 benefits is separately captioned in clearly understandable words
22 so as to accurately describe the classification of diseases covered
23 and expressly point out, when that is the case, that not all diseases
24 of the classification are covered.

25 (12) If it does not contain provision for a grace period of at least
26 the number of days specified below for the payment of each
27 premium falling due after the first premium, during which grace
28 period the policy shall continue in force provided, that the grace
29 period to be included in the policy shall be not less than seven days
30 for policies providing for weekly payment of premium, not less
31 than 10 days for policies providing for monthly payment of
32 premium and not less than 31 days for all other policies.

33 (13) If it fails to conform in any respect with any law of this
34 state.

35 (c) The commissioner shall not approve any disability policy
36 covering hospital, medical, or surgical expenses unless the
37 commissioner finds that the application conforms to both of the
38 following requirements:

39 (1) All applications for disability insurance covering hospital,
40 medical, or surgical expenses, except that which is guaranteed

1 issue, ~~which~~ *that* include questions relating to medical conditions,
2 shall contain clear and unambiguous questions designed to ascertain
3 the health condition or history of the applicant.

4 (2) The application questions designed to ascertain the health
5 condition or history of the applicant shall be based on medical
6 information that is reasonable and necessary for medical
7 underwriting purposes. The application shall include a prominently
8 displayed notice that states:

9 “California law prohibits an HIV test from being required or
10 used by health insurance companies as a condition of obtaining
11 health insurance coverage.”

12 (d) Nothing in this section authorizes the commissioner to
13 establish or require a single or standard application form for
14 application questions.

15 (e) The commissioner may, from time to time as conditions
16 warrant, after notice and hearing, promulgate ~~such~~ reasonable rules
17 and regulations, and amendments and additions thereto, as are
18 necessary or convenient, to establish, in advance of the submission
19 of policies, the standard or standards conforming to subdivision
20 (b), by which he or she shall disapprove or withdraw approval of
21 any disability policy.

22 In promulgating ~~any such~~ *a rule or regulation* ~~regulation~~, the

34 (f) The commissioner may withdraw approval of filing of any
35 policy or other document or matter required to be approved by the
